What's Next.....

For players that are still age eligible and wanting to continue in the PDP

Bedford PDP trials

Sept 9th, 16th for U15

Sept 23rd, 30th for U13

- These trials are for those currently in PDP and successful triallists from June pre-screening trials*
- Application form posted on Spond and available on the Beds County Netball Association website

*Bedford PDP Pre-screening trials

June 10th and 17th

- for School and Club players not currently in a PDP programme
- Successful triallists from the pre-screening will trial in September with those in PDP

Luton u13 PDP

- The feasibility of the Luton Pilot Programme that has run for two years is currently being discussed and we are hoping this will continue next season. If it progresses forward it will be only for players resident in the LU postcode.

For players no longer age eligible for PDP we recommend

- Club and (adult) League experience
- Regional team/competition
- applying for Mavericks (or other franchise) trials

And Finally.....
