Player Development Programme Screening 2022/2023

Thank you to so many volunteers assisting in the 2022/2023 Under 13 and Under 15 Player Development Programme Screening evenings.

They are being held over four Mondays and have involved a variety of activities with coaching on each evening. Nicky Knight, a local coach from Maulden NC has done a marvellous job in organising the evenings and our thanks goes to her Young Leaders and Coaches who have supported her so well over the four weeks.

We are also very grateful that we have been able to use the new Redborne School outdoor courts for the 4 sessions , the final evening will be on the 10th October – Under 15 Final Screening.
